JOINT ATOMIC ENERGY INTELLIGENCE COMMITTEE

1.3 FEB 1963

MEMORANDUM FOR: Director, National Photographic
Interpretation Center

SUBJECT: Appreciation for Briefing and Tour

On behalf of the Joint Atomic Energy Intelligence Committee,
I wish to thank you and the staff of NPIC for providing the
excellent briefings and the interesting tour of your facilities
on 11 February 1963. It was particularly useful to have a current
status report on the information available in the Soviet atomic
energy field prior to our work in March on the draft of the
national estimate on this subject. Please convey our thanks to

and all those who participated.
